To the Members of
Community Living Mississauga

Opinion

We have audited the financial statements of Community Living Mississauga (the "Organization"), which comprise the statement of financial position as at March 31, 2024, and the statements of revenue and expenditures, changes in net assets, and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with the financial reporting requirements as described in Note 2.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared to assist management of the Organization in complying with the financial reporting requirements of its agreement with the Ministry of Children, Community and Social Services ("MCCSS"). As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the Organization and MCCSS and should not be used by parties other than the Organization and MCCSS. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting requirements as described in Note 2, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to a going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Community Living Mississauga

Notes to the Financial Statements

March 31, 2024

1. Purpose of the Organization

Founded in 1955 and incorporated under the laws of the Province of Ontario as a non-share capital corporation in July 1959, Community Living Mississauga (the "Organization") provides support to individuals who have an intellectual disability by helping them identify and achieve their goals and interests and to fully participate in the life of the community. The Organization is governed by a volunteer Board of Directors consisting of people the Organization supports, family members and concerned members of the community.

The Organization provides support and services in various areas, including residential living (group homes, family homes and supported independent living), respite, day supports, employment supports, early childhood services, service co-ordination and other community programs.

The Organization is a registered charity under Section 149(1)(f) of the Income Tax Act (Canada) and as such is exempt from income taxes and is able to issue tax deductible receipts to donors.

The Organization is dependant on provincial funding, in particular from the Ministry of Children, Community and Social Services ("MCCSS").

2. Summary of significant accounting policies

Basis of accounting

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") with the following exceptions for projects funded by MCCSS:

- Funding received from MCCSS to be used for the purposes of purchasing capital assets has been recognized in the statement of revenue and expenditures in the period it relates to, rather than being recorded as deferred capital contributions and amortized over the same basis of the amortization of the related capital asset. As a result, the invested in capital assets fund balance includes funding that was received and used for the purchase of capital assets; and
- A reserve for future capital replacement, identified as capital reserve, is appropriated from operations.

Funds

The Organization maintains the following funds:

Externally restricted fund - capital reserve

The externally restricted fund is a capital reserve for the Ontario not-for-profit housing project, Community Living P-3000, in respect of the Schomberg Avenue property. The Organization administers Community Living P-3000, responsible for ensuring that all guidelines and requirements of MCCSS are met, including the policies to make use of the capital reserve.

Invested in capital assets

The invested in capital assets fund reflects the assets, liabilities, revenue and expenditures related to the Organization's capital assets.

Community Living Mississauga

Notes to the Financial Statements

March 31, 2024

2. Summary of significant accounting policies (continued)

Funds (continued)

Internally restricted fund - specified projects reserve

The internally restricted fund includes amounts that have been restricted by the Board of Directors for the continuation of operations. Specific expenditures, including certain capital expenditures, are approved by the Board of Directors as required.

Unrestricted fund - operating reserve

The unrestricted fund is an operating reserve, including the normal operating activities of the Organization.

Interfund transfers

All interfund transfers are approved by the Board of Directors with the exception of the capital reserve, which is approved by MCCSS.

Revenue recognition

The Organization follows the deferral method of accounting for contributions, whereby externally restricted grants, donations and other contributions are recorded as deferred contributions and recognized as revenue in the fiscal year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Externally restricted contributions received by MCCSS for the purchase of property and equipment are recognized upon receipt.

Fees for services, program fees and rental income are recognized in the year the related service has occurred.

Contributed services

Volunteers contribute time each year to assist the Organization in carrying out its service delivery activities. Due to the difficulty in determining the fair value, contributed services are not recognized in the financial statements.

Capital assets

Capital assets are recorded at cost. Amortization is recorded using the straight-line method over the estimated useful lives of the assets as follows:

Buildings	40 years
Furniture and equipment	8 years
Vehicles	5 years
Computer hardware	3 years

Leasehold improvements are amortized on a straight-line basis over the lease term.

Capital assets are tested for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. If any potential impairment is identified, then the amount of the impairment is quantified by comparing the carrying value of the capital assets to its fair value. Any impairment of capital assets is charged to the statement of revenue and expenditures in the period in which the impairment occurs. An impairment loss is not reversed if the fair value of the capital assets subsequently increases.

Community Living Mississauga

Notes to the Financial Statements

March 31, 2024

2. Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in accordance with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. These estimates are reviewed periodically and adjustments are made to the excess (deficiency) of revenue over expenses as appropriate in the period. Actual results could differ from those estimates.

Financial instruments

The Organization considers any contract creating a financial asset, liability, or equity instrument as a financial instrument. The Organization accounts for cash, accounts receivable, due from Community Living Mississauga Foundation, mortgage receivable, accounts payable, due to MCCSS, due to Central West Specialized Developmental Services, due to Community Living Mississauga Foundation and mortgages payable as financial instruments.

Financial assets or liabilities obtained in arm's length transactions are initially measured at their fair value and are subsequently measured at amortized cost. Financial assets and liabilities in related party transactions are initially and subsequently measured at cost.

For financial assets measured at cost or amortized cost, the Organization regularly assesses whether there are any indications of impairment. Any impairment loss is recognized in the statement of revenue and expenditures.

3. Community Living Mississauga Foundation

Community Living Mississauga Foundation (the "Foundation") was incorporated on April 9, 1984, by letters patent issued under the Ontario Business Corporations Act, Part III. The Foundation's purpose is to ensure the availability of funds for the ongoing operations of the programs and activities of the Organization through managing the Foundation's funds, conducting fundraising activities and recommending to the Organization proposals for the use of the Foundation's funds. The Foundation is a registered charity under Section 149(1)(f) of the Income Tax Act (Canada) and as such is exempt from income taxes and is able to issue tax deductible receipts to donors.

The Organization and the Foundation share administrative staff, management and have common board members as all the board members of the Foundation are also board members of the Organization. The Organization exercises control over the Foundation by virtue of its power to determine the Foundation's strategic, operating, investing and financial policies.

The balance due from (to) the Community Living Mississauga Foundation is non-interest bearing and due on demand.

During the year, the Foundation approved a grant to the Organization of \$584,805 (2023 - \$177,225) and reimbursed the Organization \$84,862 (2023 - \$61,285) for amounts owing relating to approved grants and fundraising salaries and benefits. In addition, the Organization donated \$Nil (2023 - \$278,301) to the Foundation.

6. Due to the Ministry of Children, Community and Social Services

The Organization has annual service contracts with MCCSS under which the Organization receives government funding. Expenditures not incurred by year-end under the annual service contract are repayable and are included in due to MCCSS on the statement of financial position. The payable position as at March 31 is as follows:

	<u>2024</u>	<u>2023</u>
Special Services at Home	\$ 19,555	\$ 30,612

	<u>\$ 133,333</u>	<u>\$ -</u>

9. Line of credit

The Organization has a demand operating facility of \$250,000 (2023 - \$250,000), of which \$Nil (2023 - \$Nil) was drawn at year-end. The demand operating facility is to fund working capital, has no repayment term, is secured by the Antigua Road property in the principal amount of \$143,000, and bears interest at the bank's prime rate plus 1.00% per annum.

Community Living Mississauga

Notes to the Financial Statements

March 31, 2024

10. Commitments and contingencies

The Organization has entered into operating leases for the head office, base sites, office equipment and automobiles to fiscal 2032. Future lease commitments are approximately as follows:

2025	\$ 845,366
2026	796,750
2027	710,739
2028	549,969
2029	494,013
Thereafter	<u>823,355</u>
	<u>\$ 4,220,192</u>

From time to time, the Organization is subject to litigation related to its activities. These claims are at various stages and therefore it is not possible to determine the merits of these claims or to estimate the possible financial liability, if any, to the Organization. Accordingly, no provision has been made for loss in these financial statements, but in management's view, these claims should not have a material adverse effect on the financial position of the Organization. Gains or losses, if any, sustained on the ultimate resolution of these claims will be accounted for prospectively in the period of settlement in the statement of revenue and expenditures.

11. Financial instruments

Transactions in financial instruments may result in the Organization assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of the financial statements in assessing the extent of risk related to financial instruments. There have been no changes to the financial risks during the year.

Credit risk

Credit risk is the risk one party to a financial instrument will cause a financial loss for the other party by failing to meet its funding obligation. The Organization is exposed to this risk mainly in respect to its accounts receivable and mortgage receivable. This risk is mitigated by the Organization through ensuring revenue is derived from qualified sources. The allowance for doubtful accounts in relation to accounts receivable is \$Nil (2023 - \$Nil).

Liquidity risk

Liquidity risk is the risk the Organization will encounter difficulty in meeting the obligations associated with its financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and mortgages payable. The Organization reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due and maintaining adequate cash reserves to repay creditors.

Included in accounts payable and accrued liabilities is \$Nil (2023 - \$Nil) of government remittances payable.

Community Living Mississauga

Notes to the Financial Statements

March 31, 2024

11. Financial instruments (continued)

Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect the value of fixed and variable interest assets and debt held by the Organization. The Organization manages its interest rate risk by ensuring that its assets and debt subject to this risk are minimal.

12. Comparative figures

Comparative figures have been adjusted to conform to changes in the current year presentation.
